Active Secret Clearance

PROFESSIONAL SUMMARY

Power Platform Functional Consultant and U.S. Army veteran who uses AI-assisted development to turn manual government processes into secure low-code solutions within federal GCC High, at zero licensing cost. Self-taught the platform and single-handedly built and fielded the system of record for recruiter onboarding and certification, projected to lift total Army recruiting output by an estimated **4% of annual contract mission**.

CORE COMPETENCIES

Requirements Gathering · Stakeholder Engagement · AI-Assisted Development · Copilot Studio · Power Apps (Canvas) · Power Automate · Power BI · Change Management · User Adoption & Training
DAX · Data Analysis · Tableau · Palantir · SharePoint Online (GCC High) · Business Process Analysis · Business Rules & Policy Codification · Functional Testing

PROFESSIONAL EXPERIENCE

Power Platform Developer & Functional Consultant (Division Master Trainer / Training Developer)

US Army Recruiting Division Headquarters, Fort Knox, KY

OCT 2024-Present

- Built and fielded the Leader's Integration & Navigation Kit (L.I.N.K.), a self-sustaining Power Platform system that delivers training and manages recruiter certification across a 10,000-person organization.
- Engineered the entire solution on standard, non-premium connectors across Power Apps, Power Automate, and Power BI, with integrated Palantir and SharePoint data sources.
- Led requirements gathering across every echelon, translating operational needs into functional design.
- Codified governing business rules and data standards into official Army regulation, establishing it as the Army's authoritative platform and system of record.
- Drove adoption across division, onboarding and training 1,800 command teams and organizational leaders.

Instructor / Writer

JAN 2021-SEP 2024

U.S. Army Recruiting & Retention College, Fort Knox, KY

- Trained 4,000+ new Army recruiters in the art and science of sales, marketing, navigating complex government entities, and other related skills.
- Improved dozens of existing plans.
- Developed, cross-trained peers, and delivered student training on modern sales techniques, conducting effective interviews, closing techniques, etc.

Recruiter / Station Commander

OCT 2011-DEC 2020

3rd Recruiting Brigade, Michigan & Tennessee

- Recruiting operations, local marketing initiatives, networking, social media, public speaking, sales and marketing, interviews, administrative, compliance.
- Sales manager overseeing ten recruiters in a market covering the lower half of middle Tennessee, plus relevant facility/fleet management.
